What is this course about?

This course is ideal for beginners, regular attendees or visitors to London. Working on a zinc plate in a mordant of saline sulphate you will achieve a series of black and white etchings by the end of the weekend. Materials are covered by the course fees including professional oil based inks and Italian archival paper.

Open Access runs on Thursday evening and Saturday during the day, giving you the opportunity to further develop your printmaking skills. There is a maximum of ten students per course guided by one to one tutoring from Victoria Browne, who has over ten years' printmaking experience.

The studio is a low-toxic environment with dedicated printmaking facilities for professional hands-on learning. Students benefit from the diversity of attendees, taught by internationally renowned printmaking artists at a central location, offering a unique educational experience in London.

By the end of this course:

You will have gained experience to continue developing your skills on a specialist course held on evenings or weekends.
