Courses at the Art Academy offer a structured approach to ensure specific subjects, skills and methods are covered. Please bear in mind that these classes will move with the pace of the class so a degree of flexibility of what will be covered on which day will be employed.

**Are there any other costs? What else should I bring each week?**

The Academy is a white spirit and turpentine free environment and only odourless spirits, such as Zest-it or Sansodor, are permitted on the premises. Students must provide their own spirits, which can be recycled for longevity.

We request that you bring 1 small jars with a lid to hold your solvent in and a few cloths rags (such as an old cotton t-shirt).

You will need to bring your own painting materials to the class, which you can store at The Art Academy for the duration of the course. If you do not have your own materials, we recommend you order an Oil Painting Pack at the time of booking, which will be available when you arrive for your first class. There is also a mini shop in the studio that supplies the basics such as canvas boards, paints, Zest-it etc. (cash purchases only).
