29 February 2020	The day will start with a demo and we will discuss the composition of the palette and use of colours. Iliaria would like students to start painting on a larger support first and I hope that by the end of the day they can start on a second, smaller canvas or board.	YES
1 March 2020	Students will be encouraged to work alternating the two paintings or start yet a new one. The emphasis is not on "finishing" a work but rather having several good starts	YES
