Date	Topics/ Skills covered
	<b>A few minutes before the first lesson - our moderator will be available to help with logging-in</b>
12 January 2022	<b>Tone:</b> Working with a limited tonal palette, we will practice handling oil paint. Using a basic still life either from your home or from photos provided, you will learn how to draw out the form and develop a basic tonal underpainting.
19 January 2022	<b>Colour:</b> You will start to understand basic colour theory and how to handle colour. Learning how oil paint pigment strength varies and how colours affect each other to contrast, dull and tone.
26 January 2022	<b>Portrait:</b> We will look at portraits by other artists to gain inspiration and ideas for how to tackle portraiture. Bring a favourite artist or pick one suggested by the tutor. You will explore how style, palette and brush strokes can affect and change your painting.
2 February 2022	<b>Landscape:</b> You will be thinking about gestures and atmosphere and how paint can imitate what we see, be that water, rocks or clouds!
9 February 2022	<b>Developing a project:</b> We will learn about how artists develop ideas and projects, then you will create your own, using what you have learnt about painting styles and techniques so far.
