

# Which drawing level is right for me?

Let's start. I haven't drawn for absolutely years!

YES

I can't remember being taught any helpful drawing techniques

YES

1 DRAWING LEVEL Beginner

NO

I sketch all the time, but I don't feel as though my drawings turn out how I want them to

NO

I've previously learned through drawing classes / drawing courses

YES

I've previously learned through a Beginners level drawing course at Art Academy London (in person or online)

YES

I want my course to allow me to continue practicing already learned fundamental skills, but with a few other challenges thrown in

NO

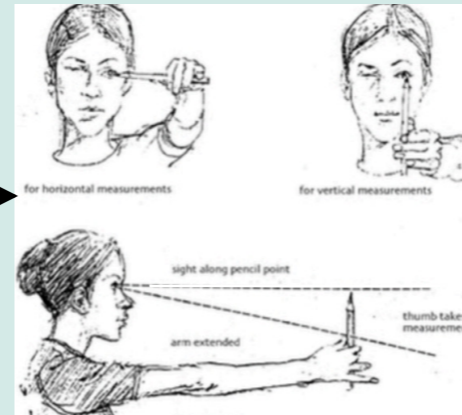

I feel confident enough to challenge myself and take my already existing skills and understanding of drawing in new directions

NO

2 DRAWING LEVEL Beginners Plus

I can use and apply basic measurement techniques. In other words the below, is very familiar!

YES

NO

YES. I'm confident in the fundamentals and would like to push myself.

I would be able to draw this still life using tone/value

NO

YES

YES

3 DRAWING LEVEL Intermediate

I've previously learned through a Beginners Plus level drawing course at Art Academy London (in person or online)

NO

YES
