09/07/2022	<p>This is a fun, day-long taster course in drawing for those who may be considering a longer evening or daytime course and would like to try it first.</p> <p>Aimed at all levels of experience, this course offers a wonderful opportunity to try out a variety of drawing techniques and materials. Over the day, students will be introduced to fundamental drawings skills, including gestural drawing, mark-making, measurement and tonal drawing. Alongside this, students will test out more creative techniques such as drawing with charcoal, rubbers, chalk and ink. This is an intensive, informative, and fun day, which introduces observational drawing skills, creative techniques, and offers students the opportunity to be more experimental by combining media in the afternoon.</p> <p>Throughout the day the tutor will lead the class in practical demonstrations to enable students to really understand the skills, materials, and techniques introduced.</p>

Are there any other costs?

All of the materials are supplied for this one day class. Wearing an old shirt or apron would be advantageous.
